

THE WORLD'S NO.1 STAIRWAY EVACUATION CHAIR

PRODUCT DATA SHEET

ULTI-MAT

ENABLES CARERS TO SAFELY EVACUATE THE MOBILITY IMPAIRED IN AN EMERGENCY

⬇️ DESCENT
 ➡️ HORIZONTAL

The **ULTI-MAT** consists of a single piece of very strong webbing which runs the full length of the unit encapsulating both head and foot end pulling straps, together with the two body straps for tall and short patients along with a leg strap. Once the patient is on the unit they can be enveloped for security by the wings on either side then secured by the webbing and buckles and pulled to safety by means of the head and foot pull straps. On the base of the unit are four carrying handles in high visibility yellow. The **ULTI-MAT** can be rolled up into its self contained pouch/foot pocket for convenient compact storage.

For over 40 years EVAC+CHAIR® is America's Original and World's Number One Selling evacuation chair. Don't risk lives, beware of poor imitations and inferior substitutions. There is only one EVAC+CHAIR®. Unsurpassed quality and workmanship, Successful in saving lives in 9/11, EXCLUSIVE LIFETIME WARRANTY.
